Mr. Fatah Boudjelida, Managing Partner – Operations / administrateur délégué, comments, “I am very proud of the business we have built over the past 20 years and look forward to the years to

come. I am particularly glad to have been able to work so closely with the local community and appreciate our longstanding commitment to supporting the outstanding art and cultural talent found across the nation. We are pleased to be able to draw parallels between the journeys of prestigious organisations we support, such as the Choeur de Chambre de Luxembourg and the Luxembourg Art Week, of which we are its founding partner – working in partnership to ensure we both, mutually, reach our business goals. Our team, much like an orchestra, is a diverse ensemble of talents, each playing a crucial role in creating a masterpiece of client success.”

Mr. Keith O'Donnell, Managing Partner / administrateur délégué, says, “It has been an exciting journey so far, and yet it also feels as if the adventure has only just begun. As the world and, in particular, the market we operate in constantly evolves, we remain committed to keeping ahead of the curve, ensuring we meet the needs of both our clients and our Members.”
